COMMUNITY CENTER

THE MARYVILLE CHURCHES PLAN BUILDING FOR SOCIAL ACTIVITIES

MINISTERS BEHIND MOVE

Mass Meeting Will Be Called Soon to Discuss Plans and Arouse Enthusiasm.

A Community building for Maryville to be built by the five Protestant brotherhoods of the city was enthusiastically discussed at the open meeting held by the Christian church brotherhood last night.

In spite of the rain the attendance at the meeting was good and those present agreed to lend their aid to the task of getting such a building for Maryville.

The Rev. C. Emerson Miller, on behalf of the other ministers of the city outlined the tentative plans for the building. He told of the need for such a community center where the social activities of the whole town could be carried on, and of the great help it would be in solving the boy problem of the town. He said that the proposed building would contain reading and writing rooms, a swimming pool, rooms where various amusements could be carried on and an auditorium which could be made a source of revenue if necessary. He said that the people of Maryville could easily spend $125,000 on such a building and would do so if all of the churches of the city got behind the movement.

The Rev. T. H. Wiles, pastor of the First Baptist church, spoke about the great aid the building would be to the development of the youth of the city, both physically and morally and promised the aid of his people in the prosecution of the enterprise.

Doctor Cole of the First Presbyterian church impressed upon his audience the wonderful results that could be obtained if every one in Maryville would do his part.

"When the United States declared war, $7,000,000,000 was the amount that the government proposed to raise for the expenses incurred. This meant an average of $70 for each person in the United States. If the people of Maryville would subscribe $70 each toward a community building, about $438,000 could be raised. And just one-fourth of this sum would go a long way toward furnishing a first class building.

Lieutenant L. L. Connett of St. Joseph, who is in Maryville doing recruiting work, spoke on the work done in the community line while the regiments were in Laredo, Tex.

E. M. Claypool gave a short talk and pledged the support of the Commercial club in any enterprise that might be undertaken by the churches.

A mass meeting will be held some time soon for the purpose of working up interest and enthusiasm in the proposition. The five ministers of Maryville will arrange the time and the place for the meeting.

MUST REMOVE FLAG POLE

City Will Order G. A. R. To Take It Down Within Five Days.

The steel flag pole that was erected by the G. A. R. on the court house grounds last week must be removed. This was decided at a meeting of the city council last night.

The pole is unstable and is therefore dangerous in the opinion of the council. If it fell and injured anyone, the city would be liable, while the county would not, and the city does not wish to take the responsibility.

The G. A. R. will be notified to remove the pole within five days.

RECRUITS MUST REGISTER

All Those accepted at the Station After Today Come Under Draft Laws.

The recruiting station received word today that all men accepted for enlistment after today would have to register before leaving Maryville under penalty of becoming violators of the selective draft law, and subject to punishment.

Everyone who is not actually enlisted and sworn in on June 5 must register before leaving home, continues the instructions. It is necessary that all applicatants from now until June 5 register in their home precincts. Men of registration age accepted for enlistment prior to June 5 but not actually enlisted before that date must register.

NAT'L GUARD TO FRANCE

Five Divisions, Approximating 125,000 Men to be Sent to France By August.

Special to The Democrat-Forum.

Washington, June 2.—Five divisions of the National Guard, approximating 125,000 men will be sent to France by August, according to the present plans of the war department. It was learned today that the call for the dispatch of this body would be made as soon as the calling out of guards is complete. The guards will be called out in three increments, the first July 15 and the last August 5.

SEASONABLE MONTH

MAY PRECIPITATION .63 BELOW NORMAL, SAYS BRINK.

LAST NIGHT'S RAIN, 1.84

Was Second Coolest May in Twenty Years, With Mean Maximum Temperature of 68 Degrees.

In spite of the fact that the rains for the latter part of May have been of frequent occurrence, the month was seasonable on the whole, according to J. R. Brink, weather recorder for Maryville.

The normal precipitation for Maryville during the month of May, says Mr. Brink, was 5.30 and the precipitation for May 1917 was only 4.67. The big rain yesterday and last night which measured 1.84 would have placed the precipitation above normal, but it will be counted on the average of the month of June. The rainfall for this week which amounted to 2.72 inches, was as follows: Monday, .63; Tuesday, .25; Wednesday, .30; Thursday, .30; Friday, 1.84.

The highest temperature for last month was on May 17, when the thermometer registered 89 degrees. The highest temperatures on record for May are: May 1, 1895, 96 degrees; May 5, 1909, 96 degrees; May 26, 1914, 96 degrees and May 13, 1915, 96 degrees.

The lowest temperature recorded for last month was 32 degrees, which were registered on May 1, 4 and 7. The lowest temperatures recorded in the

RECITAL WAS A SUCCESS

Characterized by Attendants as "Most Successful Ever Given"— The String Quartets Pleasing.

The recital given last night by the senior class of the Maryville Conservatory was characterized by those who heard it as the "most successful ever given by the students." The numbers by the string quartet, comprising Misses Katherine Carpenter and Ruth Hankins, Vladimir Jisa and Ralph Yehle, were greatly enjoyed as were also the solo numbers of the graduating class.

Much credit is due to Miss Berenice Rice, the efficient head of the Conservatory, who has succeeded very well in keeping the Conservatory up to its usual high standard. The next term will be even more successful, if the present prospects for enrollment continue during the summer.

CZAR TO PRISON

RUSSIAN COUNCIL VOTES TO PUT RULER IN FORTRESS.

TAKE OVER KRONSTADT

Great Fortress Which Defends Petrograd in Hands of Delegates—May Be New Capitol.

Special to The Democrat-Forum.

Copenhagen, June 2.—The council of workmen and soldiers delegates have voted to put the former Czar of Russia in prison, says a Petrograd dispatch today. If this is carried into effect, the former ruler will be confined in a fortress within less than a month from his removal from the throne by the Russian provisional government.

A dispatch from Petrograd today says that other resignations are feared following the retirement of the Minister of Trade and Commerce, Konovaloff, but of equal importance with this information is the news that delegates had taken into their control Kronstadt, the great fortress which defends Petrograd. Advices convey the hint that the council will establish the capitol at Kronstadt.

There have been outbreaks of anarchistic disorder in Russia for the last few days.

GERMAN SUBMARINE SUNK.

Paris, June 2.—A big German submarine was sunk in the Adriatic sea off Cattaro by the French submarine, Circe. The Circe was attacked but escaped. The German submarine was being escorted by torpedo boats at the time.

LEVY CITY TAXES

CITY COUNCIL LEVIES 9½ MILLS TO MEET LOCAL EXPENSES

FOR ROADS AND STREETS

Vote $200 For Dragging Roads Leading Out of Maryville—Will Consider Street Question.

The making of the tax levies for this year, the discussion of road dragging and of street cleaning, and the passing of several ordinances occupied the Mayor and members of the city council at their regular meeting held last night.

Fred P. Robinson appeared before the council in behalf of the Highway committee and the City Welfare committee of the Commercial club, and brought up the question of road dragging. The council promised to aid in keeping the seven roads leading out of Maryville from the pavement to the city limits in good condition, and voted to turn $200 over to the fund for the work.

The other question brought before the council by Mr. Robinson was in regard to keeping the paved streets clean. Mr. Robinson estimated that two men could be kept on the roads and supplied with brooms, pushcarts and pans for the summer at a cost of $280, and he urged the city to go to this expense in order to insure the proper sanitation of the city during the summer. The matter was referred to the street committee for investigation.

The tax levy of 9½ mills was made by the council to meet the expenses for the year. A general tax of four mills for the general fund, a tax of one mill for the library, a tax of two mills for the water bond sinking fund and a tax of two and one half mills for the water bond interest fund was the division made.

The levy last year was ten mills.

A poll tax of $2 was also voted for men between the ages of 21 and 50 years. Two days work will be expected in lieu of the cash.

Numerous complaints about the vehicle ordinance by owners of coal, day and milk wagons were made. Hi Murray protested against the license for wagons, saying that he thought $5 for two horses and $3 for one horse sufficient rather than $12 for two and $6 for one, the present rate.

J. N. Gray and Charles Alexander, drivers of coal wagons also protested against the license. Mr. Alexander suggested $5 and $3 as reasonable taxes. Jim Middleton, drayman and

INTERESTING GRADUATIONS

Former Maryville Boys Send Commencement Announcements to Friends Here.

Several graduation announcements of interest to Maryville people were received this week. Walter Deisch, who was graduated from Maryville High school May '13, is to be graduated from the Medical Department of the University of Oklahoma, at Norman, June 5.

Berney Harris, Jr., will be graduated from the Central High school at Memphis, Tenn., in a class of ninety-nine students, June 8.

Leland Leffler, who would have been in the mid-year class '17 of the Maryville High school was graduated May 29 with the High school class at Lynden, Kan.

TO ORGANIZE NORMAL CLASS

Baptist Church Will Make Special Provision for Normal Strangers in the Sunday School.

The Baptist church will make a special effort to have as many of the State Normal students as possible attend Sunday school, and for this purpose has arranged for a special class with members of the Normal faculty in charge. Miss Katherine Helwig will be teacher of the class.

The Rev. Mr. Wiles in speaking of his hopes for the success of this class said this morning, "We will make the students feel at home no matter what their religious preferences are. It is our plan to have special speakers address the class at various times during the summer and other means will be used to insure profitable hours."

LAST MONTH OF CAMPAIGN

First Methodist Sunday School to Work Hard to Make "400 For Four Months," a Reality.

The First Methodist church is working to make its Sunday school slogan, "400 For Four Months," a reality. This is the last month of the campaign and every person is urged to be on hand to swell the attendance of the next four Sundays. The average for March was 400; for April 390; and for May 408.

A "drive" will be started in the Sunday school this month to make the number go over the 400 mark, and if the weather clears up, there is every indication that it can be done. The Rev. Mr. Cox, pastor, is proud of the showing made by the classes and feels that a record would have been made, had it not been for the rainy weather.

C. S. Thompson returned last night to Maryville after visiting for a few days in Kansas City with his mother.

W. G. Saylor of Burlington Junction is a Maryville visitor today.

MAY EXTEND DRIVE

BRITISH CONSIDERING EXTENSIVE OPERATIONS IN W. FLANDERS.

GERMANS CLAIM GAINS

Hindenburg Reports That British and French Offensive Is Brought To A Stop.

Special to The Democrat-Forum.

London, June 2.—There are indications today that the British may extend their drive into West Flanders. Increasing artillery raiding activity along the French and Belgian borders is accepted by military experts as a prelude to infantry assaults on the Belgian front.

In the districts around Ypres and Wythchaete, the artillery firing has become so violent as to draw special comment from the German war office. This has led to a prediction by the Dutch war commentators that the Germans are preparing for a new drive. Two previous efforts made by the Germans to break through and reach the channel were both broken down with enormous losses.

Germans Renew Assaults.

Paris, June 2.—Renewing attacks north of the Aisne river, the Germans assaulted the French at a number of points last night and were all repulsed.

British Drive Stopped.

London, June 2.—Hindenburg reported to the Kaiser that the British and French offensive had been brought to a definite stop, according to a Berlin dispatch via Amsterdam. Official communication during the last three days show that there has been a lull on that part of the western front held by the British. Emperor William sent a telegram to Emperor Charles of Austria congratulating him on the resistance of the Austrian troops to the Italian drive.

KNITTING WORK PROGRESSES

Five Sets Ready for the Boys on the Battleship, Missouri—Organize At Hopkins.

"Though wintry blows the icy blast," five sailor boys are sure of knitted sets for the winter, through the industry of the Maryville Knitting society.

The girls report the completion of five sets to be sent to boys on the battleship Missouri. These sets consist of a muffler, a jacket and a pair of wristlets. One of the sets is on exhibition in the window of the Corwin-Murrin store.

"Fifteen hundred sets are needed, said one of the young women today, "and many hands are required to make them. Money is also needed to buy the yarn. A woman who cannot knit is asked to give money to buy the yarn and thus assist in the patriotic work. In this way, Nodaway county can do her bit."

"The committee in charge of the knitting work has a deep interest in seeing that Maryville and the surrounding towns do their part in supplying the jackies on the battleship Missouri, and are asking all of the energetic women to assist them.

"Word comes from the boys that the wind blows cold on the water and that while Uncle Sam furnishes the boys with necessities, it remains for the women to furnish them with the luxuries so necessary for their comfort. A dollar spent for yarn will be well utilized and will help a woman to show her patriotism without hardship."

Miss Olivette Godsey spent yesterday at Hopkins and organized a Knitting society there with 32 charter members. A great amount of enthusiasm was shown in the work and the women will send their work to Maryville where it will be shipped to St. Joseph with the Maryville sets. A permanent organization was formed at Hopkins and Mrs. W. L. Moorehead was elected president.

The other officers elected were: Vice-president, Mrs. E. R. Brown; secretary, Miss Lottie Remington, and treasurer, Mrs. G. W. Griffith.

The distinguished and meritorious Dubinsky Stock company, fresh from their highly successful run of fifty weeks at the Tootle Theatre, St. Joseph, will open a week's engagement in their own Tent Theatre De Luxe, on the Kelly lot, Monday, June 4.

The company has over fifty plays, all high class Royalty productions, with splendid scenic and electrical effects, polite vaudeville, classy orchestra and harmony quartette, offering the highest class and most expensive company on the road in America.

Those who really enjoy distinction in dramatic and comedy offerings will not miss hearing the Dubinsky stock company every night next week.

LEVY CITY TAXES

(Continued from page 1.)

C. M. Hartness, milkman, also protested against the tax on vehicles.

W. A. Mann, popcorn vender, petitioned the council for permission to attach a small shed to the Mutz building on Third and Main streets, but the petition was dropped as the council felt that they had no jurisdiction in the matter.

An ordinance was presented to authorize construction of a sidewalk extending on the East side of Martin street from the north side of Sixth street to the South side of Park avenue. This ordinance was tabled.

An ordinance was passed making it a misdemeanor to let cattle run at large within the city limits and authorizing a fine of not less than $1 and not more than $100 on being convicted.

George Craig was elected dog enumerator.

ADDS NEW EQUIPMENT

Alderman-Yehle Has Just Completed Series of Improvements in the Ladies' Department.

Pursuant to the practice of what they have been advocating—"The dollar turning over makes prosperity,, and "that the nation's industries and business subsidiaries of industry are vital arteries of the nation's prosperity," the Alderman-Yehle Dry Goods company have added some valuable new equipment in their ladies' ready-to-wear department.

The Alderman-Yehle store is always on the alert to have the best equipment and service for its customers and the fixtures just installed are the very best obtainable. The wall shelving that was put in for the corsets and the glass covered cabinets for waists are of quarter-sawed oak with wax finish.

The greatest improvement to the ready-to-wear department is the new mirror alcove—ceiling panneled and fitted with electric dome and socket. The mirror is arranged to give an all-around view without cross reflection. The top, sides and base of this mirror alcove are of quarter-sawed oak with wax finish to match other new fixtures.

A fitting room has also been installed and equipped with a large mirror.

Another valuable addition to the store's fixtures is the new pattern counter. This counter is also of quarter-sawed oak, with wax finish. The top is slightly slanted and lined with dark green woolen felt. Two full width shelves in the rear give ample room for the approval records.

These new fixtures are of the Grand Rapids New Way Units and other units may be added at any time. It is the intention of the Company to eventually have all of the store fixtures of this wax finish oak.

ART EXHIBIT AT NORMAL.

Urgent Invitation Extended to Townspeople to Attend.

An especially urgent invitation is extended to the townspeople of Maryville to attend the art exhibit to be held at the Normal Monday and Tuesday of next week. Located in Montana.

George A. Surface is in Burlington Junction this week loading his car for shipment to Montana. He and his two sons, Elza and Basil, have bought 320-acre relinquishments, 28 miles from Malta, Mont., and only a short distance from the Missouri river. This gives them 960 acres in a body and they can file on additional land. A railroad has been surveyed within a mile of their place. George is taking several head of horses and cows in his car. Perry Moore will go with him and intends to locate in that country.—Burlington Junction Post.

Dollar Social Postponed.

The Dollar social which was to be held last night at the South Methodist church was postponed on account of the weather.

Entertain at Euchre.

Dr. and Mrs. D. J. Thomas entertained a number of their friends last night at a euchre party in honor of Miss Clara Sturm's guests, Mrs. Frank Flynn of Kansas City, and Mrs. H. E. Husted of Galesburg, Ill., and also Mrs. Roy Collins of Springfield, who is visiting friends in Maryville. Mrs. Flynn and Mrs. Collins received the prizes.

For Ruth Hanson.

Mrs. Walter Hanson assisted by Miss Mary Lewis, entertained a number of little girls and boys this afternoon at the Hanson home on East Sixth street in honor of little Ruth Hanson. Refreshments were served to the following: Ethel Jean Davis, Margaret Swinehart, Jean MacLeod, Dorothy Henderson, Viola Henderson, Lucile Leeson, Ruth Hanson, Warren Crow, Harold Lee Harrington, Arthur Brewer, John Henry Heath, Jimmie Jackson, Ford Bradley and Frederick French.

Mrs. Gann, Hostess.

Mrs. C. L. Gann was hostess to the Ladies' Missionary society of the Baptist church yesterday afternoon. Mrs. H. A. Miller was the leader and the subject for the afternoon was "Porto Rico." Mrs. Lewis White, Rev. T. H. Wiles, Mrs. Flora Quinn, Mrs. Frank Reynolds and Mrs. Eugene Ogden gave talks and Josephine Miller and Evelyn Raines pleased the guests with a duet. About thirty-five members and visitors were present. Refreshments of ice cream, cake and coffee were served by the hostess, assisted by Mrs. J. A. Speirs, Mrs. H. L. Raines, Mrs. K. R. Malotte, Mrs. T. H. Wiles and Miss Elizabeth Leet.

Dinner Bridge at Townsend's.

Mr. and Mrs. Ferdinand Townsend will entertain the members of the Tuesday Afternoon Bridge club and their husbands tonight with a 7 o'clock dinner bridge. In the dining room the tables will be decorated in shades of yellow and pink and the centerpieces will be of Calla lilies and roses. Four candlesticks tied with yellow and pink maline and holding pink and yellow tapers will further decorate the tables. The ice cream will be moulded in the shape of Calla lilies. The only out-of-town guests will be Mrs. H. E. Husted of Galesburg, Ill., and Mrs. Frank Flynn of Kansas City, who are guests of Mrs. Nick Sturm and daughter, Miss Clara.

C. W. B. M. Meeting.

Mrs. A. J. Anderson assisted by Mrs. A. D. Arnett and Mrs. L. R. Zahm were hostesses to the C. W. B. M. of the Christian church which met at 2:30 o'clock yesterday afternoon at the Anderson home. The afternoon program was led by Mrs. C. Emerson Miller. Mrs. J. R. Brink read an article on "The Beginning of Christian Missionary Work in Argentina," and Mrs. C. Emerson Miller read a letter from the home missionary in Wisconsin. Special music was furnished by Miss Lucile Holmes. About twenty members and visitors were present. The visitors were: Mrs. G. B. Holmes and daughter, Miss Lucile. Refreshments were served by the hostesses.

Mrs. Hanson, Hostess.

Mrs. Walter Hanson was hostess at a bridge party yesterday afternoon at her home on East Sixth street. The parlor and living room were prettily decorated in yellow iris and snowballs and the pink and white color scheme was carried out in the dining room. A dainty two-course pink and white luncheon was served. The hostess was assisted in serving by Mrs. Frank Crow and Mrs. D. R. MacLeod. Pink carnations were given as favors. Those present were. Mrs. Frank Flynn of Kansas City, Mrs. Roy Collins, Mrs. D. R. MacLeod, Mrs. Arthur Brewer, Mrs. C. H. Belting, Mrs. G. H. Colbert, Mrs. J. E. Bailey, Mrs. Frank Garrett, Mrs. Charles Wadley, Mrs. T. To Have Flag Raising.

The Lasher Homemaking circle met Thursday afternoon with Mrs. Walter Williams at her home, southwest of Maryville.

A business session was held during which it was decided to have a flag raising and an all-day celebration on July 4 at the Lasher school. A basket dinner will be the main feature of the day and in the afternoon will be patriotic speaking and music. Lawrence Gault has been chosen manager for the day with Charley Deneen and Walter Williams assistants. The members of the club will be on the social committee and Mrs. Ed Gingrich, Miss Ella O'Grady and Miss Iva Williams will have charge of the program.

Following the business session was a social hour. Music was furnished by Miss Nellie Williams of Bigelow, who is a guest of Miss Iva Williams. Refreshments were served by the hostess, assisted by Misses Iva and Nellie Williams. The members present were: Mrs. Lawrence Gault, Mrs. James Stevenson, Mrs. John Schenckle, Mrs. Lloyd Martin, Mrs. Walter Williams and Misses Ella O'Grady and Iva Williams. The visitors present were: Mrs. Nat Shrewsbury, Nellie Williams, Lorena Gault, Harold Gingrich and Byron Stevenson.

The club will meet again in two weeks with Miss Ella O'Grady.

Vern Wallace Married.

Miss Faythe Lorton, daughter of Rev. and Mrs. J. E. Lorton, pastor of the Christian church of Chillicothe and Vern Wallace, son of Mrs. John L. Wallace of Maryville were married at 3 o'clock Thursday afternoon, May 31, at the home of the bride's parents, the bride's father officiating. Only a few close friends and relatives witnessed the ceremony.

Mr. and Mrs. Wallace came to Maryville Thursday night for a few days' visit with relatives and will then go to Creston, where Mr. Wallace has charge of a photographer's studio. They will make their home in Creston.

For Clarence Lloyd.

Mr. and Mrs. Eldon Lloyd entertained at 12 o'clock dinner today in honor of the eighth birthday anniversary of their little son, Clarence. In the center of the table was a large birthday cake on which was placed eight burning candles. Covers were laid for: Mr. and Mrs. Truman Lloyd, D. L. Denning, Leola Miller, Frances Remus, Billy Bailey, Carroll Reimer, the honor guest and the host and hostess. Mrs. Lloyd chaperoned the children to the matinee this afternoon.

"Six Rooms And A Bath"

———a bungalow plan that has been the dream of many young people. Perhaps yours is different but no matter what your house plan is it will be to your interest to investigate further this story.

Does each day bring the thought of a place you will know as yours? Does each evening hold a few moments of planning for the place to call your own? Are you one of the many thrifty men and women who have saved for this home, or could save, but do not find the way? Then this advertisement carries an especial appeal for you

The plan now offered you was born of necessity and matured by good results, has been extended to every state in the union. By means of it half a million American homes have been built and more than nine hundred million dollars of savings thus accumulated. It is the attractive and easiest way of owning your home. It is the plan under which the

Maryville Homestead and Loan Association

operates and has made possible the ownership of homes that would not have been accomplished otherwise, right here in your own community. If you are thrifty and have saved or could save this organization is ready to offer you safe investment. If you are ambitious to own your home, but do not have sufficient means here you have the way already planned for you. We have plenty of money, now to loan either for building or remodeling. Its easy to investigate the plan, and if you have even a small thought as here given it is to the interest of yourself and your family to get into connection with some member of this association.

—Some Facts About This Successful Idea

It will loan you money for remodeling as well as to build a home

It now has plenty of money to loan, and solicits borrowers.

It is a mutual organization operated for the benefit of its members, and presents easy methods of owning homes with small starts.

It presents safe investment for savings deposits, at good rates of interest.

It has special safe guards as provided by law.

It gives liberal returns by keeping its money constantly at work, by economical management and low expenses, by taking no commercial risks and by distributing its earnings direct to its members.

It offers privileges of withdrawal without forfeitures.

If you are not saving, or if you have made only a small beginning you are invited to become a depositing member, until your deposit will warrant a loan sufficient for building. When this point is reached the rest is easy.

"SKINNER'S DRESS SUIT"

Widely Read Saturday Evening Post Story In Photoplay to be Shown at the Electric Theatre.

Speaking of dress suits, Bryant Washburn, who is starred in Essanay's delightful comedy feature, "Skinner's Dress Suit," tells the following story:

"I had a friend several years back who was in love with a daughter of a wealthy farm implement manufacturer," said Mr. Washburn. "My friend's pocketbook was of slender proportions and he was having great difficulty in keeping up the pace with his society associates. His girl invited him to her reception one evening and he was at his wits' end to provide himself with a dress suit in which to attend the affair. He finally solved the problem by 'borrowing' one which belonged to another lodger in the boarding house. When the latter, however, discovered that my friend had 'borrowed' his dress suit to attend the reception, he rushed forthwith to the girl's home. There ,before the entire assemblage he charged my friend with having purloined his evening clothes, and demanded that he take them off immediately."

"That embarrassing incident," he continued, "wiped out what had appeared a very good chance that my friend would claim this daughter of wealth as his wife. His experience all goes to prove that if a man has got—in the parlance of the street—the 'front,' he can get almost anywhere in this world. Take for instance, Mr. Skinner of the photoplay.

"Mr. Skinner is a downtrodden, starving cashier in a big mercantile house until his wife makes him buy a dress suit and 'spruce up.' Then, through his good clothes, Skinner meets some rich people and is enabled thereby to put over a big business deal for his firm. Thus he gains a raise in pay, and finally a partnership in the business.

"There are millions of Skinners in this world. All they need is a dress suit to rise rapidly to fame and fortune.

"Skinner's Dress Suit," tonight at the Electric Theatre, is an adaptation to the screen from the story of that title by Henry Irving Dodge, which was published in the Saturday Evening Post.

Advertising Visualizes the World's Work

PORTRAYING the achievements of the workers and thinkers of the World, Advertising glorifies men's good deeds — associating every class and creed, from all the ends of the Earth, in the peaceful pursuit of Free Commerce. Next to the conception of Christianity, itself, Advertising is the greatest force for good the World has ever known. To conserve its resources and to so direct its energies that its power for good may constantly increase, is the fervent desire of the Associated Advertising Clubs of the World, who meet in their Thirteenth Annual Convention in the city of St. Louis, June 3rd to 7th, this year.

COMMUNITY CENTER

THE MARYVILLE CHURCHES PLAN BUILDING FOR SOCIAL ACTIVITIES

MINISTERS BEHIND MOVE

Mass Meeting Will Be Called Soon to Discuss Plans and Arouse Enthusiasm.

A Community building for Maryville to be built by the five Protestant brotherhoods of the city was enthusiastically discussed at the open meeting held by the Christian church brotherhood last night.

In spite of the rain the attendance at the meeting was good and those present agreed to lend their aid to the task of getting such a building for Maryville.

The Rev. C. Emerson Miller, on behalf of the other ministers of the city outlined the tentative plans for the building. He told of the need for such a community center where the social activities of the whole town could be carried on, and of the great help it would be in solving the boy problem of the town. He said that the proposed building would contain reading and writing rooms, a swimming pool, rooms where various amusements could be carried on and an auditorium which could be made a source of revenue if necessary. He said that the people of Maryville could easily spend $125,000 on such a building and would do so if all of the churches of the city got behind the movement.

The Rev. T. H. Wiles, pastor of the First Baptist church, spoke about the great aid the building would be to the development of the youth of the city, both physically and morally and promised the aid of his people in the prosecution of the enterprise.

Doctor Cotle of the First Presbyterian church impressed upon his audience the wonderful results that could be obtained if every one in Maryville would do his part.

"When the United States declared war, $7,000,000,000 was the amount that the government proposed to raise for the expenses incurred. This meant an average of $70 for each person in the United States. If the people of Maryville would subscribe $70 each toward a community building, about $438,000 could be raised. And just one-fourth of this sum would go a long way toward furnishing a first class building.

Lieutenant L. L. Connett of St. Joseph, who is in Maryville doing recruiting work, spoke on the work done in the community line while the regiments were in Laredo, Tex.

E. M. Claypool gave a short talk and pledged the support of the Commercial club in any enterprise that might be undertaken by the churches.

A mass meeting will be held some time soon for the purpose of working up interest and enthusiasm in the proposition. The five ministers of Maryville will arrange the time and the place for the meeting.

MUST REMOVE FLAG POLE

City Will Order G. A. R. To Take It Down Within Five Days.

The steel flag pole that was erected by the G. A. R. on the court house grounds last week must be removed. This was decided at a meeting of the city council last night.

The pole is unstable and is therefore dangerous in the opinion of the council. If it fell and injured anyone, the city would be liable, while the county would not, and the city does not wish to take the responsibility.

The G. A. R. will be notified to remove the pole within five days.

RECRUITS MUST REGISTER

All Those accepted at the Station After Today Come Under Draft Laws.

The recruiting station received word today that all men accepted for enlistment after today would have to register before leaving Maryville under penalty of becoming violators of the selective draft law, and subject to punishment.

Everyone who is not actually enlisted and sworn in on June 5 must register before leaving home, continues the instructions. It is necessary that all applicatants from now until June 5 register in their home precincts. Men of registration age accepted for enlistment prior to June 5 but not actually enlisted before that date must register.

NAT'L GUARD TO FRANCE

Five Divisions, Approximating 125,000 Men to be Sent to France By August.

Special to The Democrat-Forum.

Washington, June 2.—Five divisions of the National Guard, approximating 125,000 men will be sent to France by August, according to the present plans of the war department. It was learned today that the call for the dispatch of this body would be made as soon as the calling out of guards is complete. The guards will be called out in three increments, the first July 15 and the last August 5.

SEASONABLE MONTH

MAY PRECIPITATION .63 BELOW NORMAL, SAYS BRINK.

LAST NIGHT'S RAIN, 1.84

Was Second Coolest May in Twenty Years, With Mean Maximum Temperature of 68 Degrees.

In spite of the fact that the rains for the latter part of May have been of frequent occurrence, the month was seasonable on the whole, according to J. R. Brink, weather recorder for Maryville.

The normal precipitation for Maryville during the month of May, says Mr. Brink, was 5.30 and the precipitation for May 1917 was only 4.67. The big rain yesterday and last night which measured 1.84 would have placed the precipitation above normal, but it will be counted on the average of the month of June. The rainfall for this week which amounted to 2.72 inches, was as follows: Monday, .03; Tuesday, .25; Wednesday, .30; Thursday, .30; Friday, 1.84.

The highest temperature for last month was on May 17, when the thermometer registered 89 degrees. The highest temperatures on record for May are: May 1, 1895, 96 degrees; May 5, 1909, 96 degrees; May 26, 1914, 96 degrees and May 13, 1915, 96 degrees.

The lowest temperature recorded for last month was 32 degrees, which were registered on May 1, 4 and 7. The lowest temperatures recorded in the

RECITAL WAS A SUCCESS

Characterized by Attendants as "Most Successful Ever Given"— The String Quartets Pleasing.

The recital given last night by the senior class of the Maryville Conservatory was characterized by those who heard it as the "most successful ever given by the students." The numbers by the string quartet, comprising Misses Katherine Carpenter and Ruth Hankins, Vladimir Jisa and Ralph Yehle, were greatly enjoyed as were also the solo numbers of the graduating class.

Much credit is due to Miss Berenice Rice, the efficient head of the Conservatory, who has succeeded very well in keeping the Conservatory up to its usual high standard. The next term will be even more successful, if the present prospects for enrollment continue during the summer.

CZAR TO PRISON

RUSSIAN COUNCIL VOTES TO PUT RULER IN FORTRESS.

TAKE OVER KRONSTADT

Great Fortress Which Defends Petrograd in Hands of Delegates—May Be New Capitol.

Special to The Democrat-Forum.

Copenhagen, June 2.—The council of workmen and soldiers delegates have voted to put the former Czar of Russia in prison, says a Petrograd dispatch today. If this is carried into effect, the former ruler will be confined in a fortress within less than a month from his removal from the throne by the Russian provisional government.

A dispatch from Petrograd today says that other resignations are feared following the retirement of the Minister of Trade and Commerce, Konovaloff, but of equal importance with this information is the news that delegates had taken into their control Kronstadt, the great fortress which defends Petrograd. Advices convey the hint that the council will establish the capitol at Kronstadt.

There have been outbreaks of anarchistic disorder in Russia for the last few days.

LEVY CITY TAXES

CITY COUNCIL LEVIES 9½ MILLS TO MEET LOCAL EXPENSES

FOR ROADS AND STREETS

Vote $200 For Dragging Roads Leading Out of Maryville—Will Consider Street Question.

The making of the tax levies for this year, the discussion of road dragging and of street cleaning, and the passing of several ordinances occupied the Mayor and members of the city council at their regular meeting held last night.

Fred P. Robinson appeared before the council in behalf of the Highway committee and the City Welfare committee of the Commercial club, and brought up the question of road dragging. The council promised to aid in keeping the seven roads leading out of Maryville from the pavement to the city limits in good condition, and voted to turn $200 over to the fund for the work.

The other question brought before the council by Mr. Robinson was in regard to keeping the paved streets clean. Mr. Robinson estimated that two men could be kept on the roads and supplied with brooms, pushcarts and pans for the summer at a cost of $280, and he urged the city to go to this expense in order to insure the proper sanitation of the city during the summer. The matter was referred to the street committee for investigation.

The tax levy of 9½ mills was made by the council to meet the expenses for the year. A general tax of four mills for the general fund, a tax of one mill for the library, a tax of two mills for the water bond sinking fund and a tax of two and one half mills for the water bond interest fund was the division made.

The levy last year was ten mills.

A poll tax of $2 was also voted for men between the ages of 21 and 50 years. Two days work will be expected in lieu of the cash.

Numerous complaints about the vehicle ordinance by owners of coal, day and milk wagons were made. H. Murray protested against the license for wagons, saying that he thought $5 for two horses and $3 for one horse sufficient rather than $12 for two and $6 for one, the present rate.

J. N. Gray and Charles Alexander, drivers of coal wagons also protested against the license. Mr. Alexander suggested $5 and $3 as reasonable taxes. Jim Middleton, drayman and

INTERESTING GRADUATIONS

Former Maryville Boys Send Commencement Announcements to Friends Here.

Several graduation announcements of interest to Maryville people were received this week. Walter Deisch, who was graduated from Maryville High school May '13, is to be graduated from the Medical Department of the University of Oklahoma, at Norman, June 5.

Berney Harris, Jr., will be graduated from the Central High school at Memphis, Tenn., in a class of ninety-nine students, June 8.

Leland Leffler, who would have been in the mid-year class '17 of the Maryville High school was graduated May 29 with the High school class at Lynden, Kan.

TO ORGANIZE NORMAL CLASS

Baptist Church Will Make Special Provision for Normal Strangers in the Sunday School.

The Baptist church will make a special effort to have as many of the State Normal students as possible attend Sunday school, and for this purpose has arranged for a special class with members of the Normal faculty in charge. Miss Katherine Helwig will be teacher of the class.

The Rev. Mr. Wiles in speaking of his hopes for the success of this class said this morning, "We will make the students feel at home no matter what their religious preferences are. It is our plan to have special speakers address the class at various times during the summer and other means will be used to insure profitable hours."

LAST MONTH OF CAMPAIGN

First Methodist Sunday School to Work Hard to Make "400 For Four Months," a Reality.

The First Methodist church is working to make its Sunday school slogan, "400 For Four Months," a reality. This is the last month of the campaign and every person is urged to be on hand to swell the attendance of the next four Sundays. The average for March was 400; for April 390; and for May 408.

A "drive" will be started in the Sunday school this month to make the number go over the 400 mark, and if the weather clears up, there is every indication that it can be done. The Rev. Mr. Cox, pastor, is proud of the showing made by the classes and feels that a record would have been made, had it not been for the rainy weather.

C. S. Thompson returned last night to Maryville after visiting for a few days in Kansas City with his mother.

W. G. Saylor of Burlington Junction is a Maryville visitor today.

MAY EXTEND DRIVE

BRITISH CONSIDERING EXTENSIVE OPERATIONS IN W. FLANDERS.

GERMANS CLAIM GAINS

Hindenburg Reports That British and French Offensive Is Brought To A Stop.

Special to The Democrat-Forum.

London, June 2.—There are indications today that the British may extend their drive into West Flanders. Increasing artillery raiding activity along the French and Belgian borders is accepted by military experts as a prelude to infantry assaults on the Belgian front.

In the districts around Ypres and Wythchaete, the artillery firing has become so violent as to draw special comment from the German war office. This has led to a prediction by the Dutch war commentators that the Germans are preparing for a new drive. Two previous efforts made by the Germans to break through and reach the channel were both broken down with enormous losses.

Germans Renew Assaults.

Paris, June 2.—Renewing attacks north of the Aisne river, the Germans assaulted the French at a number of points last night and were all repulsed.

British Drive Stopped.

London, June 2.—Hindenburg reported to the Kaiser that the British and French offensive had been brought to a definite stop, according to a Berlin dispatch via Amsterdam. Official communication during the last three days show that there has been a lull on that part of the western front held by the British. Emperor William sent a telegram to Emperor Charles of Austria congratulating him on the resistance of the Austrian troops to the Italian drive.

KNITTING WORK PROGRESSES

Five Sets Ready for the Boys on the Battleship, Missouri—Organize At Hopkins.

"Though wintry blows the icy blast," five sailor boys are sure of knitted sets for the winter, through the industry of the Maryville Knitting society.

The girls report the completion of five sets to be sent to boys on the battleship Missouri. These sets consist of a muffler, a jacket and a pair of wristlets. One of the sets is on exhibition in the window of the Corwin-Murrin store.

"Fifteen hundred sets are needed, said one of the young women today, "and many hands are required to make them. Money is also needed to buy the yarn. A woman who cannot knit is asked to give money to buy the yarn and thus assist in the patriotic work. In this way, Nodaway county can do her bit."

"The committee in charge of the knitting work has a deep interest in seeing that Maryville and the surrounding towns do their part in supplying the jackies on the battleship Missouri, and are asking all of the energetic women to assist them.

"Word comes from the boys that the wind blows cold on the water and that while Uncle Sam furnishes the boys with necessities, it remains for the women to furnish them with the luxuries so necessary for their comfort. A dollar spent for yarn will be well utilized and will help a woman to show her patriotism without hardship."

Miss Olivette Godsey spent yesterday at Hopkins and organized a Knitting society there with 32 charter members. A great amount of enthusiasm was shown in the work and the women will send their work to Maryville where it will be shipped to St. Joseph with the Maryville sets. A permanent organization was formed at Hopkins and Mrs. W. L. Moorehead was elected president.

The other officers elected were: Vice-president, Mrs. E. R. Brown; secretary, Miss Lottie Remington, and treasurer, Mrs. G. W. Griffith.

The company has over fifty plays, all high class Royalty productions, with splendid scenic and electrical effects, polite vaudeville, classy orchestra and harmony quartette, offering the highest class and most expensive company on the road in America.

Those who really enjoy distinction in dramatic and comedy offerings will not miss hearing the Dubinsky stock company every night next week.

LEVY CITY TAXES

(Continued from page 1.)

C. M. Hartness, milkman, also protested against the tax on vehicles.

W. A. Mann, popcorn vender, petitioned the council for permission to attach a small shed to the Mutz building on Third and Main streets, but the petition was dropped as the council felt that they had no jurisdiction in the matter.

An ordinance was presented to authorize construction of a sidewalk extending on the East side of Martin street from the north side of Sixth street to the South side of Park avenue. This ordinance was tabled.

An ordinance was passed making it a misdemeanor to let cattle run at large within the city limits and authorizing a fine of not less than $1 and not more than $100 on being convicted.

George Craig was elected dog enumerator.

ADDS NEW EQUIPMENT

Alderman-Yehle Has Just Completed Series of Improvements in the Ladies' Department.

Pursuant to the practice of what they have been advocating—"The dollar turning over makes prosperity," and "that the nation's industries and business subsidiaries of industry are vital arteries of the nation's prosperity," the Alderman-Yehle Dry Goods company have added some valuable new equipment in their ladies' ready-to-wear department.

The Alderman-Yehle store is always on the alert to have the best equipment and service for its customers and the fixtures just installed are the very best obtainable. The wall shelving that was put in for the corsets and the glass covered cabinets for waists are of quarter-sawed oak with wax finish.

The greatest improvement to the ready-to-wear department is the new mirror alcove—ceiling panneled and fitted with electric dome and socket. The mirror is arranged to give an all-around view without cross reflection. The top, sides and base of this mirror alcove are of quarter-sawed oak with wax finish to match other new fixtures.

A fitting room has also been installed and equipped with a large mirror.

Another valuable addition to the store's fixtures is the new pattern counter. This counter is also of quarter-sawed oak, with wax finish. The top is slightly slanted and lined with dark green woolen felt. Two full width shelves in the rear give ample room for the approval records.

These new fixtures are of the Grand Rapids New Way Units and other units may be added at any time. It is the intention of the Company to eventually have all of the store fixtures of this wax finish oak.

ART EXHIBIT AT NORMAL.

Urgent Invitation Extended to Townspeople to Attend.

An especially urgent invitation is extended to the townspeople of Maryville to attend the art exhibit to be held at the Normal Monday and Tuesday of next week. George A. Surface is in Burlington Junction this week loading his car for shipment to Montana. He and his two sons, Elza and Basil, have bought 320-acre relinquishments, 28 miles from Malta, Mont., and only a short distance from the Missouri river. This gives them 960 acres in a body and they can file on additional land. A railroad has been surveyed within a mile of their place. George is taking several head of horses and cows in his car. Perry Moore will go with him and intends to locate in that country.—Burlington Junction Post.

Dollar Social Postponed.

The Dollar social which was to be held last night at the South Methodist church was postponed on account of the weather.

Entertain at Euchre.

Dr. and Mrs. D. J. Thomas entertained a number of their friends last night at a euchre party in honor of Miss Clara Sturm's guests, Mrs. Frank Flynn of Kansas City, and Mrs. H. E. Husted of Galesburg, Ill., and also Mrs. Roy Collins of Springfield, who is visiting friends in Maryville. Mrs. Flynn and Mrs. Collins received the prizes.

For Ruth Hanson.

Mrs. Walter Hanson assisted by Miss Mary Lewis, entertained a number of little girls and boys this afternoon at the Hanson home on East Sixth street in honor of little Ruth Hanson. Refreshments were served to the following: Ethel Jean Davis, Margaret Swinehart, Jean MacLeod, Dorothy Henderson, Viola Henderson, Lucile Leeson, Ruth Hanson, Warren Crow, Harold Lee Harrington, Arthur Brewer, John Henry Heath, Jimmie Jackson, Ford Bradley and Frederick French.

Mrs. Gann, Hostess.

Mrs. C. L. Gann was hostess to the Ladies' Missionary society of the Baptist church yesterday afternoon. Mrs. H. A. Miller was the leader and the subject for the afternoon was "Porto Rico." Mrs. Lewis White, Rev. T. H. Wiles, Mrs. Flora Quinn, Mrs. Frank Reynolds and Mrs. Eugene Ogden gave talks and Josephine Miller and Evelyn Raines pleased the guests with a duet. About thirty-five members and visitors were present. Refreshments of ice cream, cake and coffee were served by the hostess, assisted by Mrs. J. A. Speirs, Mrs. H. L. Raines, Mrs. K. R. Malotte, Mrs. T. H. Wiles and Miss Elizabeth Leet.

Dinner Bridge at Townsend's.

Mr. and Mrs. Ferdinand Townsend will entertain the members of the Tuesday Afternoon Bridge club and their husbands tonight with a 7 o'clock dinner bridge. In the dining room the tables will be decorated in shades of yellow and pink and the centerpieces will be of Calla lilies and roses. Four candlesticks tied with yellow and pink maline and holding pink and yellow tapers will further decorate the tables. The ice cream will be moulded in the shape of Calla lilies. The only out-of-town guests will be Mrs. H. E. Husted of Galesburg, Ill., and Mrs. Frank Flynn of Kansas City, who are guests of Mrs. Nick Sturm and daughter, Miss Clara.

C. W. B. M. Meeting.

Mrs. A. J. Anderson assisted by Mrs. A. D. Arnett and Mrs. L. R. Zahm were hostesses to the C. W. B. M. of the Christian church which met at 2:30 o'clock yesterday afternoon at the Anderson home. The afternoon program was led by Mrs. C. Emerson Miller. Mrs. J. R. Brink read an article on "The Beginning of Christian Missionary Work in Argentina," and Mrs. C. Emerson Miller read a letter from the home missionary in Wisconsin. Special music was furnished by Miss Lucile Holmes. About twenty members and visitors were present. The visitors were: Mrs. G. B. Holmes and daughter, Miss Lucile. Refreshments were served by the hostesses.

Mrs. Hanson, Hostess.

Mrs. Walter Hanson was hostess at a bridge party yesterday afternoon at her home on East Sixth street. The parlor and living room were prettily decorated in yellow iris and snowballs and the pink and white color scheme was carried out in the dining room. A dainty two-course pink and white luncheon was served. The hostess was assisted in serving by Mrs. Frank Crow and Mrs. D. R. MacLeod. Pink carnations were given as favors. Those present were: Mrs. Frank Flynn of Kansas City, Mrs. Roy Collins, Mrs. D. R. MacLeod, Mrs. Arthur Brewer, Mrs. C. H. Belting, Mrs. G. H. Colbert, Mrs. J. E. "Six Rooms And A Bath"

——a bungalow plan that has been the dream of many young people. Perhaps yours is different but no matter what your house plan is it will be to your interest to investigate further this story.

Does each day bring the thought of a place you will know as yours? Does each evening hold a few moments of planning for the place to call your own? Are you one of the many thrifty men and women who have saved for this home, or could save, but do not find the way? Then this advertisement carries an especial appeal for you

The plan now offered you was born of necessity and matured by good results, has been extended to every state in the union. By means of it half a million American homes have been built and more than nine hundred million dollars of savings thus accumulated. It is the attractive and easiest way of owning your home. It is the plan under which the

Maryville Homestead and Loan Association

operates and has made possible the ownership of homes that would not have been accomplished otherwise, right here in your own community. If you are thrifty and have saved or could save this organization is ready to offer you safe investment. If you are ambitious to own your home, but do not have sufficient means here you have the way already planned for you. We have plenty of money, now to loan either for building or remodeling. Its easy to investigate the plan, and if you have even a small thought as here given it is to the interest of yourself and your family to get into connection with some member of this association.

—Some Facts About This Successful Idea

It will loan you money for remodeling as well as to build a home

It now has plenty of money to loan, and solicits borrowers.

It is a mutual organization operated for the benefit of its members, and presents easy methods of owning homes with small starts.

It presents safe investment for savings deposits, at good rates of interest.

It has special safe guards as provided by law.

It gives liberal returns by keeping its money constantly at work, by economical management and low expenses, by taking no commercial risks and by distributing its earnings direct to its members.

It offers privileges of withdrawal without forfeitures.

If you are not saving, or if you have made only a small beginning you are invited to become a depositing member, until your deposit will warrant a loan sufficient for building. When this point is reached the rest is easy.

"SKINNER'S DRESS SUIT"

Widely Read Saturday Evening Post Story in Photoplay to be Shown at the Electric Theatre.

Speaking of dress suits, Bryant Washburn, who is starred in Essanay's delightful comedy feature, "Skinner's Dress Suit," tells the following story:

"I had a friend several years back who was in love with a daughter of a wealthy farm implement manufacturer," said Mr. Washburn. "My friend's pocketbook was of slender proportions and he was having great difficulty in keeping up the pace with his society associates. His girl invited him to her reception one evening and he was at his wits' end to provide himself with a dress suit in which to attend the affair. He finally solved the problem by 'borrowing' one which belonged to another lodger in the boarding house. When the latter, however, discovered that my friend had 'borrowed' his dress suit to attend the reception, he rushed forthwith to the girl's home. There ,before the entire assemblage he charged my friend with having purloined his evening clothes, and demanded that he take them off immediately."

"That embarrassing incident," he continued, "wiped out what had appeared a very good chance that my friend would claim this daughter of wealth as his wife. His experience all goes to prove that if a man has got—in the parlance of the street—the 'front,' he can get almost anywhere in this world. Take for instance, Mr. Skinner of the photoplay.

"Mr. Skinner is a downtrodden, starving cashier in a big mercantile house until his wife makes him buy a dress suit and 'spruce up.' Then, through his good clothes, Skinner meets some rich people and is enabled thereby to put over a big business deal for his firm. Thus he gains a raise in pay, and finally a partnership in the business.

"There are millions of Skinners in this world. All they need is a dress suit to rise rapidly to fame and fortune.

"Skinner's Dress Suit," tonight at the Electric Theatre, is an adaptation to the screen from the story of that title by Henry Irving Dodge, which was published in the Saturday Evening Post.

Will Move to Maryville.

H. W. Kramer and W. G. Carpenter have leased the tire department of the Sewell garage in Maryville and have combined their tire repair and manufacturing business with it. Mr. Kramer has been looking after the business there and intends to move his family to Maryville within the next month. Howard is an expert workman, and with his careful supervision the enterprise will doubtless prove a success.—Burlington Junction Post.

Mrs. F. A. Smith and Mrs. Henry Terolf of Beloit, Kan., are visiting at the home of Mrs. M. E. Farrar.

Kenneth Strawn of St. Joseph spent Tuesday with friends in Maryville.

RAPID LOUSE KILLER

Prevents Chick Losses

Millions of chicks die yearly due to the ravages of lice and mites. They sap the strength and vitality of the delicate chicks and leave them easy prey to dangerous disease germs.

Wolf's Rapid Louse Killer quickly destroys lice on the chicks and mother hen, keeps the nest, litter and dust bath free from insect pests. Also destroys certain bugs and worms on cucumber, squash, melon vines and rose bushes.

Advertising Visualizes the World's Work

ADVERTISING CLUB OF ST. LOUIS

ASSOCIATED ADVERTISING CLUBS OF THE WORLD — TRUTH

PORTRAYING the achievements of the workers and thinkers of the World, Advertising glorifies men's good deeds — associating every class and creed, from all the ends of the Earth, in the peaceful pursuit of Free Commerce. Next to the conception of Christianity, itself, Advertising is the greatest force for good the World has ever known. To conserve its resources and to so direct its energies that its power for good may constantly increase, is the fervent desire of the Associated Advertising Clubs of the World, who meet in their Thirteenth Annual Convention in the city of St. Louis, June 3rd to 7th, this year.
